

THE COMMISSIONING SPECIALISTS ASSOCIATION

INDIVIDUAL MEMBERS PATH OF DEVELOPMENT

- NOTES**
- The above are guideline requirements and do not cover every personal situation and therefore the Committee retains the right to allocate a grade based on the information submitted or obtained.
 - For each DLC passed, a 6 month credit is awarded against required experience, hence less onerous experience requirements for DLC candidates up to grade 4. From grade 5 onwards the experience requirements equalise as at that point candidates on all paths will have taken and passed the grade 4 examinations.
 - Although the committee accept external qualifications or allied experience, candidates are still encouraged to complete the comprehensive Distance Learning Courses and examinations to assist their own personal development.

KEY
