(Please note that we require 4 weeks cancellation notice or you will be charged)

MAKING BUILDINGS WORK

COMMISSIONING SPECIALISTS ASSOCIATION

Introduction to Commissioning Management 2-day Course

With an already established and renowned portfolio of training courses, the CSA has constructed the 'Introduction to Commissioning Management' course to give real life insight and guidance to the Commissioning Management Process.

This 2-day course is split into 8 sessions, providing exercises to assess and guide Delegates through specific activities. Each session contains:

- the source material
- detailed guidance through the process
- an interactive session "exercise" to end each session

On successful completion of all 8 sessions each delegate will be awarded a CSA Introduction to Commissioning Management certificate and CSA members who are a Grade 5 and have the relevant path of development experience would then be able to apply for their Grade 6.

An Overview of the Training Course

Day One

- Project delivery in the 21st Century built environment
