CSA 2018 Awards Ceremony moves to London Thursday 14 June 2018

The Commissioning Specialists Association launched its industry-wide awards programme in 2015 to bring together the entire commissioning sector in a celebration of business and professional excellence. The awards recognise and reward the achievements made by both business and their staff in the pursuit of effective, efficient and timely commissioning. In essence, they provide a high profile platform from which to acknowledge the skill, hard work and effort of those who ensure that our buildings work as the designer intended.

The move to Central London is testament to the success already enjoyed over the past three years, and demonstrates the CSA's commitment to further develop the awards programme, and to ensure it continues to honour the important, yet often unnoticed work, which Members and their suppliers undertake.

The chosen venue is The Mermaid Theatre, situated on the banks of the River Thames, next to Blackfriars Bridge in the heart of the City. Utilising both the Lower and Upper River rooms, with their panoramic city skyline vistas, this iconic venue provides the ideal environment in which to hold an event dedicated to the world of commissioning.

**Your chance to prove to peers, clients and competitors
that you're at the top of your game!**
