

MAKING BUILDINGS WORK

CSA OFFICE – COVID-19

As UK and Worldwide events unfold surrounding the Coronavirus pandemic, the uncertainty surrounding the current outbreak and how it will affect us over the coming weeks is very much unknown.

However, we would like to assure all of our members and customers that CSA have a robust plan in place to ensure we still meet your needs during these difficult and testing times ahead. Staff here are geared up to do whatever it takes to keep things moving and try to keep things very much business as usual.

The CSA are doing all they can to ensure the continued health of our staff and would ask that members/customers/suppliers who visit us think twice before doing so, most projects can be discussed on the phone and via email and this will help limit any potential spread of the virus to our staff.

The CSA office will be manned 3 hours each day between 10am – 1pm. Julie, Jo and Alan are able to work from home to keep things running as smoothly as possible.

We'll keep our website updated as changes inevitably happen. You can see all our services and information on our website www.csa.org.uk

You can call the CSA office between 10am and 1pm on 01403 754133 and between 1pm and 5.30pm please call 07515565568 or 07740578358 and we will do our very best to deal with all queries.

Please keep well, safe and stay in touch.

Kind regards
