

MAKING BUILDINGS WORK

Introduction to Commissioning Management 2-day Course

Established in 1990, the CSA is an association for the commissioning industry within the construction world. Its membership comprises commissioning industry companies, individual commissioning engineers and associated companies (such as equipment manufacturers and instrument suppliers), who have a vested interest in ensuring that the commissioning function in today's complex built environment is carried out to a uniformly high standard.

With an already established and renowned portfolio of training courses, the CSA has constructed the 'Introduction to Commissioning Management' course to give real life insight and guidance to the entire Commissioning Management Process.

This 2-day course is split into 8 sessions, providing exercises to assess and guide Delegates through specific activities. Each session contains:

- the source material
- detailed guidance through the process
- an interactive session "exercise" to end each session

On successful completion of all 8 sessions each delegate will be awarded a CSA Introduction to Commissioning Management certificate and CSA members who are a Grade 5 and have the relevant path of development experience would then be able to apply for their Grade 6.

Course Location

In keeping with its other training programmes, this course will be conducted at the CSA offices in Horsham, West Sussex.

Course Dates in 2019 (9th & 10th April also 17th & 18th September 2019)

Please note we require 4 weeks cancellation notice or you will be charged for the course.

Although the final dates have yet to be confirmed, it is envisaged that three courses will be run during the latter part of this year, in the months of October, November and December.

Course Pricing

This unique 2-day course is priced at £600.00 + VAT for CSA Members and £700.00 +VAT for non-members.
